MINISTER'S WIFE TALKS ABOUT HER TROUBLES

Mrs. Goble (Shouldn't Eat or Sleep to do any Good Before Taking Orgatone; Feeling Much Better.

Mrs. Sarah P. Goble, 403 South Lawton street, wife of a well known minister of the gospel, is another well known Tulsa, Oklahoma, woman who feels that it is nothing but right to tell others of the benefits she derived from the use of Orgatone. Mrs. Goble said:

"I had gotten to the point, before I began taking Orgatone, where I couldn't eat or sleep to do any good and you may know I was going down hill fast. I had been troubled with indigestion and gall stones for ten years. I would belch up my food sour and undigested and couldn't retain and digest enough of what I ate to give me any strength. The gas on my stomach made my heart flutter and I had several pains in my right side that would almost drive me distracted at times.

"I was influenced by personal recommendation to try Orgatone treatment and now I feel like a different woman. I had the best treatment and took all kinds of medicine, but I was getting worse every day, but Orgatone treatment just seemed to be exactly what I needed and it is pulling me right out of my troubles. I eat much better, my digestion is better and I sleep fine. The gaseous condition in my stomach has been relieved thereby stopping that heart palpitation and dizzy spells. I had very little faith in Orgatone, but it has proven very beneficial in my case. It's a pleasure to endorse such a medicine and I gladly recommend it to anyone suffering as I did."

Orgatone is not a so-called patent or secret remedy but a new scientific treatment, absolutely free from alcohol in any form and is sold in Tulsa by Roy H. Getman's Rexall store exclusively, under the personal direction of a special Orgatone representative. Other agents are the Rexall Store, West Tulsa—Advt.
